

FORELAND FABRICTECH HOLDINGS LIMITED
(Incorporated in Bermuda with Company Registration No. 39151)

POSITIVE PROFIT ALERT AND DATE OF RELEASE OF FY2011 RESULTS

In anticipation of the announcement of the unaudited financial results for the financial year ended 31 December 2011 ("FY2011"), the Board of Directors of Foreland Fabrictech Holdings Limited (the "Company", and together with its subsidiaries, the "Group") deems it appropriate to provide a positive profit alert for the benefit of shareholders of the Company.

For FY2011, the Group is expected to report a significantly higher revenue, compared to the financial year ended 31 December 2010 ("FY2010"), due to the strong demand for its high grade and functional fabrics. The strong demand was a result of the recovery in the market of high grade textile products and the continuous expansion in the Group's business for high grade umbrella fabrics.

Accordingly, the Group expects to report a significantly higher profit before taxation for FY2011 as compared to FY2010.

The Company will disclose further details when it announces its unaudited financial results for FY2011 on or before 28 February 2012.
